

Regional Sales Manager (f/m/d) AKG North American Operations, Inc., Mebane, NC

Tradition und Innovation

Since 1919 the AKG Group is a specialist in the field of heat transfer. Our group of companies is financially sound, innovative and expanding. With about 3.000 employees at 14 locations in Europe, the Americas and Asia we develop and produce heat exchangers for a multitude of application areas and branches.

AKG North American Operations, Inc., is the production company of the US-AKG-group, with two production sites, Mitchell, South Dakota and **Mebane, North Carolina**. Cooling solutions for construction, forestry, agriculture, on-highway, compressor, material handling, industrial, off-highway, and mining markets are manufactured in these two factories.

The Sales Manager develop and manage the business relationships between key AKG OEM and distributor accounts.
